

DO YOU SUFFER
FROM BACKACHE?

When your kidneys are weak and torpid they do not properly perform their functions; your back aches and you do not feel like doing much of anything. You are likely to be despondent and to borrow trouble, just as if you hadn't enough already. Don't be a victim any longer. The old reliable medicine, Hood's Sarsaparilla, gives strength and tone to the kidneys and builds up the whole system.

Hood's Sarsaparilla is a peculiar combination of roots, barks and herbs. No other medicine acts like it, because no other medicine has the same formula or ingredients. Accept no substitute, but insist on having Hood's, and get it today.

PLANS
FOR TAX
EXEMPTIONWILLIAMS PROPOSES TO
AMEND STATE REVENUE
LAWS

Special to The Daily Leader.

Oklahoma City, Jan. 4.—Governor-elect H. L. Williams today announced that he will recommend to his message to the legislature that all farm products held by the producer be exempted from taxation.

The message will recommend that the revenue laws of the state be amended so that farm products held by the producer, whether held in his own name or elsewhere, shall not be subject to taxation. The provision is made broad to include everything held over so long as it does not leave the hands of the producer and get into the possession of the speculator, and will not apply simply to cotton, corn and wheat.

The recommendations are made by the governor-elect principally for the purpose of relieving the cotton situation as thousands of bales are being held in store houses all over the state in order to tide over the period of low prices brought on largely by the European war. While cotton is the principal crop that is held over this year a considerable amount of wheat is in storage and this also will escape taxation if still in possession of the farmer who raised it when the tax assessments are made if Williams plans materialize.

It is believed that the stand taken by Governor-elect Williams will be endorsed by the legislature and that it will be a great help toward solving the problem of preventing slumps in prices of farm products in Oklahoma in the future.

When farmers know that they can hold any of their products without taxation, and when they feel sure they will receive the co-operation of the bankers and merchants as they have in the present cotton crisis, they will not hesitate to hold their products off the market whenever con-

CALOMEL DYNAMITES YOUR LIVER!
MAKES YOU SICK AND SALIVATES

"Dodson's Liver Tone" Starts Your Liver Better Than Calomel and You Don't Lose a Day's Work.

Live up your sluggish liver! Feel fine and cheerful; make your work a pleasure; be vigorous and full of ambition. But take no nasty, dangerous calomel because it makes you sick and you may lose a day's work.

Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel crashes into your bile like dynamite, breaking it up. That's when you feel that awful nausea and vomiting.

Listen to me! If you want to enjoy the finest, gentlest liver and bowel cleansing you ever experienced just take a spoonful of harmless Dodson's

Liver Tone tonight. Your druggist or dealer sells you a 50-cent bottle of Dodson's Liver Tone under my personal money-back guarantee that each spoonful will clean your sluggish liver better than a dose of nasty calomel and that it won't make you sick.

Dodson's Liver Tone is real liver medicine. You'll know it next morning because you will wake up feeling fine, your liver will be working; headache and dizziness gone; stomach will be sweet and bowels regular.

Dodson's Liver Tone is entirely vegetable, therefore harmless and can not salivate. Give it to your children. Millions of people are using Dodson's Liver Tone instead of dangerous calomel now. Your druggist will tell you that the sale of Calomel is almost stopped entirely here.

Conditions are unsatisfactory. The very knowledge in market centers that the farmers will do this will, in itself, be enough to prevent slumps in prices to be believed.

Resolutions of Respect.
Worthy Chief, Officers and Brethren, Division 638 B. of L. E. Hugo, Oklahoma:

We, your committee heretofore appointed to draft resolutions of respect on the untimely death of the beloved wife of brother R. B. Miller, beg to submit the following:

Whereas, on the evening of December 15, 1914, the Great Chief, whose benevolent hand always holds the throttle of destiny in His mighty grasp, chanced to see a beautiful rose which immediately He plucked and placed the same within the sacred portals of that Great Terminal to more beautifully the same. There to bloom and blossom again with all the fragrance of pure sweet womanhood.

Our brother's lamented companion was no stranger in our midst; always scattering sunshine wherever he went—to know her was to love her; never more happy than when trying to assist and make others happy. The cultivation of friendship, the pleasure of good company, the improvement of moral conditions, the advancement of benevolence and charity were her primary objects in life.

Being regenerated by a belief in the word of God she became fitted for a divine inheritance in the regions of eternal bliss; hence she traveled the Royal Road, so beautifully expressed by Mary C. Brainard, authoress:

One step I see beyond me;
Tis all I need to see.
The light of heaven will brightly shine
And sweetly through the silence comes His loving "follow me."
Where He may lead I will follow,
My trust in Him repose;
And every hour in perfect peace,
I'll sing "He knows, He knows."
O blessed lack of wisdom,
Tis blessed not to know.
He holds me with His own right hand.

And will not let me go;
And hush my troubled soul to rest
In Him who loves me so.

In the making of this beautiful bouquet for that Celestial Terminal, our Grand Chief, deprived Brother Miller of the choicest jewel of all his earthly possessions; therefore, Be it Resolved, That we extend to Brother Miller our sincere sympathy in this his sad hour of trouble and bereavement; and earnestly commend him to that Great Supreme Chief who alone can and will comfort.

Be it Further Resolved, That a copy of these resolutions be spread upon our books, a copy given to Brother Miller and a copy furnished the press. Respectfully submitted, Geo. Roebach, J. S. Carson, J. W. Nelson, Committee.

W. A. Durant, old time Democratic leader of Durant, at Governor-elect Williams' request, will be speaker pro tem. Convincing Testimony

You must believe Guthrie people. Here's Guthrie proof. Verify it. Read. Investigate. Be convinced. You'll find why Guthrie folks believe in Doan's.

Mrs. Sterling Cooper, 1107 W. Noble St., Guthrie, says: "The public statement I gave a few years ago, recommending Doan's Kidney Pills was correct in every particular. Since then I have taken Doan's Kidney Pills myself and have been greatly benefited. I know that Doan's Kidney Pills are a good remedy for pains through the back and hips and other troubles, caused by weak kidneys."

Mrs. Cooper is only one of many Guthrie people who have gratefully endorsed Doan's Kidney Pills. If your back aches—If your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same that Mrs. Cooper had—the remedy backed by home test-

WILLIAMS
AGAINST
NEPOTISMHOW HENSHAW GOT A
BROADSIDE FROM THE
GOVERNOR-LECT

Special to Daily Leader.

Oklahoma City, Okla., Jan. 4.—Politicians about the capital are laughing at the expense of Corporation Commissioner G. A. Henshaw, who was one of the first state officers to run against Judge R. L. Williams, determined program for the conduct of state affairs, and to become acquainted with the true principles of the governor to refuse to even remotely violate the law or use the prestige of his office to favor either friends or relatives.

Mr. Henshaw is a very earnest and conscientious officer, so when the commission, upon the recommendation of some of the best men of the state, decided upon Paul A. Walker of Shawnee for chief law clerk for the corporation commission, he selected Mr. Henshaw to consult Judge Williams about it, having in mind the desirability of all branches of the government being in harmony, although the appointment had already been made.

"Governor," said he, "we have decided to name Paul A. Walker of Shawnee, a young man who has been strongly recommended to us as an able and hard-working lawyer, for chief law clerk, and would like to have you O. K. the selection."

The governor exploded. "I don't want to have anything to do with this appointment," he declared. "I won't recommend him, give my consent or anything else. There ain't going to be any nepotism or the spirit of nepotism in this administration if I can help it."

"Nepotism?" queried Mr. Henshaw, thoroughly puzzled. "Where does the nepotism come in?"

"Didn't you know?" asked Judge Williams. "That Walker is my brother-in-law? That he married my only sister? You can appoint him if you want to but you'll have to do it without any recommendation or endorsement from me."

Mr. Henshaw and the other members of the commission, it developed, had not been informed as to the relationship existing between Judge Williams and Mr. Walker. So the joke was on Henshaw. Before he goes to Governor Williams for the endorsement of any more appointments, he will probably first ascertain whether the appointee bears any relationship to the governor.

VALIDITY OF RUSSELL
TAX LAW ATTACKED

Special to The Daily Leader.

Okmulgee, Jan. 4.—The validity of the Campbell Russell tax law was raised in the federal court Saturday in the case of the Rock Island Railroad company seeking to restrain the county treasurer of Grady county from collecting taxes in certain school districts which they claim to be excessive. If the Russell law or the West amendment is valid the federal court will have no jurisdiction. N. A. Gibson, attorney for the railroad, contends that the West amendment did not carry. The attorney from the attorney general's office contends that the proposition did carry and that it was not necessary for it to receive a majority of all the votes cast on that one measure.

The state was not fully prepared to go on with the case, so a temporary restraining order was granted. The case will come on again in the near future.

In this particular case the school districts made a certain estimate and
